

JHU-BJGMC Fogarty HIV-TB Research Training Program Application Form

Instructions

Each section of this application form should be completed in order to be considered and word limits should be adhered to. This application, as well as an updated Curriculum Vitae (CV) and a 1-page cover letter should be upload to <http://www.BJGMC-tb.org> no later than January 1st , 2015. Any queries before that time can be sent to adeluca1@jhmi.edu.

NAME OF APPLICANT	DATE
-------------------	------

Are you interested in TB Epidemiology/Clinical Research or TB Laboratory Research?

<input type="checkbox"/> TB Epi/Clinical
<input type="checkbox"/> Laboratory

ELIGIBILITY REQUIREMENTS

YES/NO

1. Are you a MPSC selected candidate? (Note, if you are not MPSC-selected but have emailed program leadership for clearance, you are free to apply)	
2. Do you have a personal and institutional expectation of continuing on as BJGMC for at least the next five years?	
3. Are you able to commit to developing your research career in TB epidemiology, clinical, or laboratory research?	

APPLICATION REQUIREMENTS

YES/NO

1. Do you have a current Curriculum Vitae/Resume using the following format for the document title "Last Name, First Name_CV"?	
2. Have you included a one-page cover letter that expresses your interest in the Fogarty HIV-TB Training Program using the following format for the document title "Last Name, First Name_Cover Letter"?	
3. Have you completed and saved this form using the following format for the document title "Last Name, First Name_Application Form"?	
4. Have you pursued a support letter signed by your head of department and/or dean sir that acknowledges your application and pledges support?	

When all documents have been completed and formatted, please submit by logging on to <http://www.BJGMC-tb.org>. If you encounter any technical errors, please contact Andrea DeLuca at the email address listed above. We thank you for taking the time to apply, and will inform all applicants of their status no later than February 1st, 2015.

Instructions

Please fill out the descriptions below, **using 150 words or less for each section.**

LEADERSHIP

Please describe your capacity for leadership of TB research at BJGMC, based on past or current activities.

HIV-TB RESEARCH INTEREST

Please describe your past, current, and future interests and activities in and around HIV-TB research.

GOALS FOR HIV-TB ACTIVITIES AT BJGMC

Please describe what is needed to expand institutional capacity for HIV-TB research at BJGMC.

HIV-TB RESEARCH TOPIC

Please describe what specific HIV-TB topic you'd be interested in addressing through participation in the training program. If you are interested in learning TB research lab techniques, please state which technique and why.

PROPOSED HIV-TB MANUSCRIPT

Please describe a potential research manuscript that you would like to write in the future, based the activities and training that would be possible if you are selected to be part of the training program. This description can be loosely based around the standard sections of a research manuscript (background, methods, analysis).

PROPOSED HIV-TB GRANT IDEA

Through the training program, ten individuals will be eligible to compete for placement in the iMPH program at Johns Hopkins or a 2-year post-doctoral laboratory fellowship. Please propose a research project that you could complete through the program by describing a research question, the study aims, and a general idea of study endpoints/outcomes that will be measured.
